The Commissioner of Police
Pune, Maharashtra

Subject: Complaint regarding illegal liquor selling near school premises.

Respected Mr. S.K. Venkatraman,

Greetings of the day!

This is to bring to your kind knowledge the matter of illegal liquor selling near school premises.

There is a school named 'St. Joseph English School' in Limbayat area. Around 800 students are studying in this school. Even there are several residential societies located around this school. Since last month a local goon has started selling liquor illegally behind the school premises.

Due to this, school students, their parents and other residents all are facing many problems. Drunkards and other goons are now frequently visiting this area due to this nuisance. They are misbehaving with parents and residents and their rowdy behavior and indecent language create a very bad impression on the vulnerable minds of children studying in the school and residing nearby.

Ladies feel very unsafe moving in that area as many times they pass vulgar comments and do eve-teasing. We are also afraid that teenage children of school and youths of the locality may get trapped in this and get addicted to this poison.

We have escalated this complaint at our local police station before two weeks, but unfortunately, we saw no action against it up till now. It may be because the goon is very dangerous and influential.

When we follow up for our complaint then we didn't get any satisfactory reply from the local police station. Hence we are forced to escalate this complaint to your kind self.

We request to intervene in this matter on high priority and get it close at the earliest. We also request you to check with the local police station on why our complaint was not addressed until now.

Please look into the matter and do the needful and oblige.

Thank you

Yours Faithfully,

Shyam Modi
